## About us

LEENBRICKS is one of the strongest leading B2B furnishing suppliers in the furniture industry. Now located in a new 6,000 square foot office, warehouse, and showroom, they are solidifying our rank as the leading local furnishings supplier. LEENBRICKS supplies a range of consumers, from small individual retailers to large multi-store chains as well as hospitality projects seeking high quality products at competitive prices.

We have provided all that is needed to furnish homes from the bedroom to the kitchen and everything in between. LEENBRICKS carefully selects furniture designs to provide our customers with unique and comprehensive solutions for any home.

Whether you are redecorating, moving into a new home or replacing some old favorites, we have products you will love. We provide furniture that will suit all tastes. Outfit your home with our great range of functional, stylish, quality, affordable furniture for every room of the house.

LEENBRICKS's experienced team of woodworking and machinery experts is composed of some of the industry's most knowledgeable furniture specialists. We are committed to producing furniture using innovative technologies, and distinctive aesthetics without compromising the strength and durability needed to endure the demands of the contract environment.

We believe that every person deserves to have what they want and we are here to make sure that where furniture is concerned, you get what you deserve.

# Nature by LEENBRICKS – Environmental Policy

LEENBRICKS has a heightened awareness of the global movement with regard to sustainable development, environmental products, recycling programs and reuse for the manufacturing. LEENBRICKS's commitment to the conservation of natural resources, stringent environmental management practices and corporate initiatives are the building blocks of all our goods and services.

LEENBRICKS's commitment to the environment is all inclusive. We make every effort to meet and exceed recommended environmental standards throughout all our business practices. Our belief rests in a balanced approach through the provision of high quality, excellent value products that are manufactured in a manner that provides a reduced environmental footprint. LEENBRICKS encourages our suppliers and customers to participate in that commitment by developing environmentally conscious programs and products that reduce global impact without compromising durability, value or design aesthetics. We are committed to protecting our natural resources for future generations.

## Mission

LEENBRICKS's mission is to design and build high-quality furniture while providing a harmonious environment for its clients, employees and surrounding community. Based on solid values and engineered performance, the company operates with a participative management and sustainable development practices in order to foster economic growth and encourage its employees' personal development.
